

**DECCAN SCHOOL OF MANAGEMENT
DEPT. OF HOSPITAL MANAGEMENT**

MASTER'S DEGREE IN HOSPITAL MANAGEMENT (MDHM)

INFORMATION BROCHURE

Department of Hospital Management, Deccan School of Management was established in the year 1998 by Darussalam Education Trust (D.E.T). D.E.T. is one of the prominent organizations focusing on professional education. The sister concerns of Deccan School of Management include Deccan College of Medical Sciences, which is the first private medical college of Telangana State. Department of Hospital Management is attached to Owaisi Hospital & Research Centre and Deccan College of Medical Sciences which creates congenial teaching-learning environment. 24 Batches comprising of about 1090 students have passed out and are placed both within and outside the country in various segments of health care.

Master's Degree in Hospital Management, MDHM is a two year post graduate degree, spread over 4 semesters. MDHM has made a remarkable pace for itself since its inception in 1998. MDHM equivalent to MBA has evolved into one of the premier programmes in the country, endorsed by 100 percent placements with the best corporate houses in India and in recent times, abroad. MDHM's stringent selection norms coupled with the rigor of the curriculum ensure a highly committed, creatively and innovatively anchored, professionally oriented Hospital manager's skilled in the practice, development and hospital management for the health care industry. This programme is approved by the All India Council for Technical Education (AICTE) and affiliated to Osmania University.

Eligibility for Admission: Admission to MDHM requires a Bachelor's degree (in keeping with the 10 + 2 + 3 system) or an equivalent qualification in any discipline from any recognised Universities with minimum 50% marks is eligible for the course. Candidates appearing for final examinations towards a Bachelor's degree (or equivalent) are also eligible to apply.

Admission: Admission is based on the marks obtained in Master's Degree in Hospital Management Common Entrance Test – 2024, conducted by Osmania University. Qualifying mark in the entrance test is 25% for General & OBC candidates. The test is assessed for 100 marks each section carrying 20 marks vis-a-vis. A) Test of Reasoning B) Numerical Ability C) English Comprehension and Usage D) Health & Hospital Knowledge and E) Current Affairs

Intake: The intake is 60 seats of which 70% seats are for Merit quota and 30% seats are for Management Quota. Of the 70% Merit Quota (18 seats) are Convenor Quota, 40% (24 seats) are minority candidates to be filled by the college 30% (18 seats) are for Management Quota

Duration: MDHM is a two-year course spread over four semesters. First and Third semester begin in August and ends in December. Second and fourth semester begin in January and end in May. The summer vacation at the end of the first and third semester is devoted to project work and internship. Placement activities commence towards the end of the fourth semester

Course Delivery: The course is delivered through class room lectures, online lectures, guest lectures by academicians from universities and domain experts from health care industry, hospital visits, project work, internship, postings in hospitals, dissertation, conferences and study tours to hospitals in other states.

Curriculum: The strength of MDHM lies in its strong and contemporary curriculum, the knowledge and experience of the core and visiting faculty, the exposure to hospital industry and the diverse profiles of students. The MDHM curriculum is flexible and is updated from time to time in consultation with practicing managers to ensure inclusion of current practices and cases. The curriculum design is as below:

Semester – I : 7 papers + Hospital visits
 Semester – II : 7 papers + Project work
 Semester – III : 7 papers + commencement of dissertation work
 Semester – IV : 3 papers + Dissertation submission and viva voce + Internship

Internship: The internship provides students with an opportunity to gain work experience in an area of concentration or interest while receiving credit towards their degree. The summer internship is organised for 8 weeks. No student is admitted to the second year without completing the Project Work.
